

Bergantino Audio NV610T Speaker Cabinet

NV610T 'New Vintage' Series 6-10" & Tweeter Bass Guitar Loudspeaker

Unique in the Bergantino Audio Systems line of speakers are the New Vintage NV series of bass guitar speaker cabinets. The NV610T cabinet is sealed (rather than the traditional ported design) which provides the NV cabinets with a tighter and more immediate bass response. The NV610T comes with 'tilt-back' casters installed with full-length amp glides on the back to facilitate loading and unloading. The NV610T cabinet also employs a recessed, top mounted handle system that makes tilting these back and rolling it a breeze. The cabinetry on the NV610T employ a precision tuned cabinet architecture and the enclosure is built with the finest 100% Baltic birch plywood. The NV610T series are covered in traditional tolex for durability (no more carpet fuzz for your cat to claw) and they all employ a rigid black grille to protect the drivers.

The NV610T utilizes a unique tweeter matched with a custom phase-coherent crossover network that extends the range of this cabinet to 12KHz. The NV610T has a tweeter level control on the back and turning the tweeter all the way off removes it from the circuit, so if you want the 'old-school vibe' – no problem. With the tweeter on, this cabinet can be a slap monster to match high-output demands – with the tweeter off, just great low end and midrange goodness.

Replace your tired 8-10 speaker cabinet with the NV610T and you get more flexibility, smaller cabinet with lighter weight and improve your sonic footprint, whether R&B, Metal or Funk.

- Woofers: 6-10" Ceramic Magnet Woofers w/ Vented Pole Pieces
- Tweeter: High Intelligibility HD Series Tweeter
- Cabinet Design: Sealed
- Cabinet Material: Baltic Birch Plywood
- Cabinet Covering: Black Tolex
- Impedance: 4-ohms
- Power Handling: 800W RMS
- Crossover: Custom Phase-Coherent Crossover w/ Tweeter Level Control
- Frequency Response: 48Hz – 12KHz
- Sensitivity: 103db @ 2.83v / 1-meter
- Dimensions: 36"H x 24"W x 15"D
- Weight: 100 Lbs.
- ProNet Price: \$1499.00

Accessories: Optional Padded Cover Available
